7th grade: the jewish journey

mondays, 6:30 - 8:30 pm
beginning september 15

The Bar/Bat Mitzvah year is about the journey as well as the destination. In other words, one does not simply have a Bar/Bat Mitzvah but rather one becomes a Bar/Bat Mitzvah. The difference is profound! Kehillat Israel Religious School has created a year long curriculum entitled The Jewish Journey that will support your child's transition into Jewish adulthood. The Jewish Journey is an interactive, hands-on competitive Jewish game based on experiences in and out of the classroom. The goal is to increase your child's Jewish knowledge, community involvement, spiritual connection and personal growth. Beginning this year, we will be instituting a critical Bar/Bat Mitzvah practice service as part of the curriculum. During this service, your children will come together as a Kehillat to pray, bless and practice their Torah portions.
