|--------------------------|--|---|

### Class Description

Our infant and toddler classes offer parent education and support through participation and discussions which provide information and educational guidance. Children are engaged in age appropriate activities that enhance and promote their physical, social, emotional, and intellectual growth while in a safe and supervised environment.

### Transition Class Description – priority enrollment to children enrolled in ECC for 2010-11 school year

This class offers a gentle way of introducing young children to preschool. The children have opportunities to work in discovery centers, sing, listen to stories, eat lunch and play outdoors. The first few weeks of class, parents remain in the room as children connect with the teachers. As children show signs of readiness, parents are encouraged to leave the classroom for increasing periods of time.

**An adult must be in the building, while the children are attending the transition class.  
Children should dress appropriately as we will get wet and dirty.**

Returning families must have their applications in by **March 15<sup>th</sup>** to secure their spot.

Requests for classes will be filled on a first come first serve basis.

Enrollment in the Parenting Center does not guarantee your child's future placement in the Early Childhood Center.

Please fill in your family information on the Spring 2010 Registration Application, check off the box of the class you would like to attend, and return the form along with payment to:

*Kehillat Israel Early Childhood Center  
16019 W. Sunset Boulevard  
Pacific Palisades, California 90272*

**We regret that there are no make-up days.**
